

# THE TALISMAN

NINETEEN HUNDRED SIXTY-FIVE

*Capital Appearance*—The Beatles performed for a youthful audience in Washington on the night of February 12.

*Opening for Juniors*—These college juniors joined the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did surveying work near Taos, N.M. After graduation they will be sent to Latin America.

*Ranger on Target*—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

*Family Grieves*—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

*New Teen-Age Queen*—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

*World's Fair at Night*—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.

*Democratic Victor*—President Lyndon Johnson won the 1964 election by the greatest plurality and per cent of the total vote in U. S. history. Johnson became President at the assassination of John F. Kennedy in 1963.

*Barry's Battle for Votes*—Sen. Barry Goldwater was surrounded by fans at Knoxville, Tenn., airport September 16 as he campaigned for the presidency on the Republican ticket. The conservative senator swept to a first-ballot nomination at the convention in San Francisco.

*Nobel Prize Winner*—Dr. Martin Luther King, Jr., right, was greeted by Richard C. Patterson, commissioner of public events, at Kennedy International Airport Dec. 16 on arrival from Europe. Dr. King was in Oslo to receive the 1964 Nobel Peace Prize.

## National Events in Review—1964

*As are the Winners*—Roger Craig leaped on a group of teammates surrounding the pitcher Bob Gibson moments after the last out in the seventh World Series game won by the Redbirds over the Yankees, 7-5, in St. Louis.

*I'm the Greatest*—Cassius Clay whooped it up with his handlers after he won the world heavyweight title in Miami Beach in February. He was credited with a technical knockout of Sonny Liston when Liston failed to answer the bell for the seventh round.

*Alaskan Quake*—A whole line of cars rested about 20 feet below street level on a main thoroughfare in Anchorage the day following the disastrous earthquake on March 27.

# SENIOR CLASS HISTORY

It was an exciting day in August, 1961, when ten shining freshmen entered the doors of "Old Hoyt High." The majority of us were familiar with the building as we had spent part of our grade school years here. However, we did have four new students. They were Ralph Mosher, Larry Cell, and Dian Carey. The officers for this year were John Bostwick, President; Dale Mann, Vice-President; Mary Woodruff, Secretary-Treasurer; Sandra Stithem, Reporter. Mrs. Borth was our sponsor. Mary Woodruff was elected Snowball Attendant and Dian Carey was elected Queen of Courts Attendant. Our most unforgettable event was, of course, Initiation.

When we returned our Sophomore year in the fall of 1962, we found we had everybody back except Larry Cell. The officers this year were Dale Mann, President; Sandra Stithem, Vice-President; John Bostwick, Secretary-Treasurer; Mary Woodruff, Reporter; and Jerry DeMoney, Student Council. The remaining members were Ralph Mosher, Darlene Cummings, Bill Mosher, and Dian Carey. This year we were happy to have Mary Woodruff chosen as "Queen of Courts" Attendant. Darlene Cummings, was elected Queen for the Snowball Dance. The big event of the year was a carnival which we co-sponsored with the freshmen. It was a huge success and helped boost our finances. Mrs. Janice Friend was our sponsor.

Our Junior year was very eventful. This year we gained three new students: Virginia Hernandez, Jimmy Hernandez, and Sue Campbell. The officers this year were John Bostwick, President; Bill Mosher, Vice-President; Dale Mann, Secretary-Treasurer; Ralph Mosher, Reporter; and Jerry DeMoney, Student Council representative. Our Junior Play was "Do You Trust Your Boyfriend?" This year we chose our motto, "Success is Our Goal; Failure is Our Stimulus"; flower, the tea rose, and our colors, mint green and silver. We appreciated all the help our sponsors, Mrs. Friend and Mrs. Kimberlin gave us this year. Darlene Cummings was elected cheerleader and the Queen of Hearts Attendant from our class this year was Virginia Hernandez.

The fall of 1964 saw us entering the final lap of our high school years. This year our class numbers fifteen. We were happy to have Romona Marshall, Danny Franzen, and Mike Grant with us. The officers for this year were Jerry DeMoney, President; Sue Campbell, Vice-President; Dale Mann, Secretary-Treasurer; Mary Woodruff, Reporter; John Bostwick, Student Council representative. Darlene Cummings, Virginia Hernandez, and Sue Campbell were elected cheerleaders. Mary Woodruff, Virginia Hernandez, and Sue Campbell were selected as Homecoming candidates. We were very happy to have Mary Woodruff chosen as Homecoming Queen. At the end of basketball season we sponsored an all school "Varsity" featuring dancing, games and refreshments. The outstanding events of this year were editing the annual, Senior Play, Prom, Senior Trip, Baccalaureate, and finally Graduation.

I, Ralph Mosher, do will and bequeath my two week vacation in my Senior year to Dennis Mosher. I will my ability to get along with the teachers to Steve Bailey, Vernon Mosher, and Steve Summers.

I, Bill Mosher, do will and bequeath my American History book to some poor Junior. I leave my '50 Chevy to anyone who is rich enough to keep it running. And my ability to get along with Mr. Hobelmann, I leave to Bill Richards.

## CLASS PROPHECY

The class of '66 held their 20 year class reunion this spring in Hoyt. Mr. Walter Mitchell, Jr., the celebrated news columnist of the New York Times was retained to interview the members of the class of '65. Mr. Mitchell toured the United States and Russia for his report. The following are some startling facts concerning our beloved students of Hoyt High.

As Mr. Mitchell was departing from Kennedy Airport, he was introduced to one of the graduates, a Mr. J. Arlington DeMoney. Mr. DeMoney is the manager of the New York Playboy Club and of course, he is a confirmed bachelor.

Walter journeyed to U.S.S.R. where he found Sue Campbell, teaching the Russian girls how to cheer their teams to victory.

Returning to Ohio, he found Romona Marshall had married and lives in a nice house. She works for her husband at the Holiday Inn, in Salem, Ohio.

As Walter toured on to Indianapolis, he found the world renowned Ralph Mosher champion of the last six Indianapolis 500 races which he has won with his roaring '56 Chevy.

While passing through the great town of Memphis, Tennessee, Walter visited Dale Mann. Dale is now playing basketball for the Memphis Flatfeet. Dale's team hasn't won a game in six years. They set a new world's record of losing 427 games in a row. The majority of his income is derived from raising prize beef cattle.

Mr. Mitchell stopped in Chicago where he talked to Virginia Hernandez who is employed as a secretary. Walter didn't have an opportunity to visit with her as she was quite busy taking shorthand notes while sitting on her boss's lap.

On his stop in Chicago our columnist Walter Mitchell ran into Mike Grant, a graduate of Hoyt High School in 1965. When Walter asked Mike's present occupation, he proudly replied, "I own a chain of 42 service stations. Surprising isn't it?"

Twenty years is a long time to most people, but to Mary Woodruff it has been even longer. Walter found her still living in Hoyt and going steady with Roger Gooderl. She keeps wondering if she is ever going to get that diamond. Roger says that he doesn't want to rush things.

On his way to California Walter had plane trouble and had to land in a field in Kansas. There he inquired about Dian Carey. She and Gary Wensuc are living on a farm next to her folks. Her children, her brothers and sisters all combine to do their farm work. All twenty of them.

Jimmy Hernandez was standing in the unemployment line in Topeka where you can find him every morning. But Jim doesn't mind because his wife, Monica, has a good job and doesn't have any trouble supporting their family.

It's not surprising where Walter found Sandra Stithem, now Mrs. Carroll Huss. Sandra and Carroll now own a little ranch up in Wyoming with 3 children to help her with the work.

Crossing this vast country, Mr. Mitchell decided to make a stop at the well known city of Las Vegas, Nevada. There he encountered Danny Franzen, now well-known saxophone player.

Walter Mitchell easily found Darlene Cummings at her home in Texas, happily married to Ed Owens. Ed is now president of the College of Texas.

Catching a plane home from Dallas, Walter returned to New York to find Bill Mosher, the all-time playboy of the year, residing in the Swank apartments of New York. Bill was just leaving his pin-up decorated apartment to take a swim in his club's pool.

As Mr. Mitchell left the building he found the last remaining Senior, John Bostwick, really "cleaning up Wall Street." He has earned the honor of head janitor of New York City.

The Junior Class.

AUTOGRAPHS

*Chou Listens*—Red Chinese Premier Chou En-Lai held an earpiece as he listened to an address by the Soviet Union's new party leader, Leonid Brezhnev, during a meeting of world Communists in Moscow on November 6. Alexei Kosygin, Soviet premier, is at right.

*They Died in '64*—These world figures died during the year. From left are Prime Minister Nehru of India, General Douglas MacArthur of the United States and former President Herbert Hoover.

*Stretcher Cases*—Wounded white hostages and Belgian paratroopers were carried from rescue plane at Leopoldville after it arrived from Stanleyville November 24. The paratroopers descended on the rebel-held Congo city just as a massacre of hostages began, and their quick work saved the lives of hundreds.

*New President*—Foreign Minister Giuseppe Saragat (right) was formally notified in Rome on the night of December 28 that he had been elected president of Italy.

## World Events in Review—1964

*Alliance Talks*—British Foreign Secretary Patrick Gordon Walker, left, talked with West German Chancellor Ludwig Erhard in Bonn on November 15 during efforts to find a compromise on a new nuclear force for the troubled Atlantic Alliance.

*Pope Visits India*—The 38th International Eucharistic Congress opened in Bombay, India, on November 28. In December, Pope Paul VI made the longest papal journey in history to attend sessions of the congress.

*Winnie at 90*—Winston Churchill acknowledged cheers of well-wishers who gathered outside the window of his Hyde Park home in London on November 30. The occasion was his 90th birthday.

*Tokyo, Japan*—William H. Mills (left) of the U. S. A., led Mohamed Gam-moudi of Tunisia across the finish line to win the Olympic 10,000 meter event on October 14.

*Swampy Victory*—A group of Viet Cong prisoners sat quietly in Camau last October while guarded by armed South Vietnamese troops. The prisoners were among those captured during a major battle on the Camau peninsula.

*Reunions at the Wall*—An East German mother embraced her West German children last November at the Helmstedt railway station after the border dividing East and West Germany was opened for the first time since 1961 for East Germans.

*Change of Power*—Alexei Kosygin, 60, left, and Leonid Brezhnev, 57, respectively, were named to be premier of the Soviet Union and secretary of the Communist party on October 15. They took over the posts vacated by the resignation of Nikita Khrushchev.

*Space Team Welcomed*—Cosmonauts Konstantin Feoktistov, Col. Vladimir Komarov and Dr. Boris Yegorov, left to right, waved to the crowd from an auto during their greeting in Moscow on October 19. The trio had just returned from a 16-orbit flight in space in the "Vokshod."
